Show Me A Sign

How are you doing little one?
My little one, my little one
I'd like to know what's on your mind
Our days together, time together
You and me, our one on one
These are the times that make me smile
You make me smile

Tell me that you love me
Tell me that you're thinking of me
Tell me all about the things you're thinking
Day and night, both day and night
Tell me that you're happy
And you love it when we're laughing
Tell me more, oh, tell me more, show me a sign
Show me a sign

Every day you grow up more
And teach me more about what I'm here for
And every day I love you more
I love you more. I love you!

Tell me that you love me
Tell me that you're thinking of me
Tell me all about the things you're thinking
Day and night, both day and night
Tell me that you're happy
And you love it when we're laughing
Tell me more, oh, tell me more show me a sign
Show me a sign—show me a sign—show me a sign

Tell me that you love me
Tell me that you're thinking of me
Tell me all about the things you're thinking
Day and night, both day and night
Tell me that you're happy
And you love it when we're laughing
Tell me more, oh, tell me more show me a sign
Show me a sign—show me a sign—show me a sign
Show me a sign—show me a sign—show me a sign

Magic Words

I have got some magic words
I keep them by my side
And when I use my magic words
My friends know that I'm nice

And I say PLEASE, PLEASE, PLEASE when I want it
I SHARE, SHARE, SHARE when we're playing
YOUR TURN is YOUR TURN and MY TURN is mine
And we use our THANK YOU's all of the time
We use our THANK YOU's all of the time

And I say PLEASE, PLEASE, PLEASE when I want it
I SHARE, SHARE, SHARE when we're playing
YOUR TURN is YOUR TURN and MY TURN is mine
And we use our THANK YOU's all of the time
We use our THANK YOU's all of the time

Part of Life

It's just part of life, you bump and bruise and fall
Sometimes seems like everyday and sometimes not at all

When you're hurt you always become better
When you fall down you always get back up
And when you cry it never lasts forever
I'll help you feel better, we help each other out

It's just part of life and hugs can save the day
With kisses and a bandage we're ready to go play

When you're hurt you always become better
When you fall down you always get back up
And when you cry it never lasts forever
I'll help you feel better, we help each other out
I'll help you feel better, we help each other out

Rainy Day

It's another one of those rainy days
It's another one of those rainy days
I would like to go and play outside
But it's another one of those rainy, rainy days

Had a play date set up out in the sandbox
I would've had a tea party going on this afternoon
And I don't have the heart to tell all my bears and dolls
This bad, bad cancellation news

So I'll stay inside doing puzzles
And I'll make myself a puppet show
And the only only consolation that I have
Is oh, how the flowers will grow

It's another one of those rainy days
It's another one of those rainy, rainy days
You know I would love to go play outside
But it's another rainy, rainy, rainy day
And it's another rainy, rainy, rainy day
Well it's a rainy, rainy, rainy, rainy day
Grow flowers grow!
'Cause it's a another rainy, rainy, rainy day

Proud To Be Me

I'm a boy! I'm a girl!
I'm a girl, I'm a girl, I'm proud to be me, yeah!
I'm a boy, I'm a boy, I'm proud to be me, yeah!

There's so many things that you can be
You might be short, you might be tall
Different colored eyes, different colored hair
But underneath it all, I'm proud to be me

I'm a boy, I'm a boy, I'm proud to be me, yeah!
I'm a girl, I'm a girl, I'm proud to be me, yeah!

Doesn't matter what you look like
The things you can and cannot do
Just be a boy or be a girl
Feel proud that you are you!

I'm a boy, I'm a boy, I'm proud to be me, yeah!
I'm a girl, I'm a girl, I'm proud to be me, yeah!

I'm a boy, I'm a boy, I'm proud to be me, yeah!
I'm a girl, I'm a girl, I'm proud to be me, yeah!

I'm a boy, I'm a boy, I'm proud to be me, yeah!
I'm a girl, I'm a girl, I'm proud to be me, yeah!

The Good

It was you and me and the whole world right before us
I couldn't wait to start
I saw you and dreams just like everyone before us
We thought we knew what we got

And then one day I thought it slipped away
And I looked to my hands to hold on
And then one day all my fear slipped away
And my hands did so much more

So maybe we won't find easy
But, baby, we've found the good
No, maybe we won't find easy
But, baby, we've found the good!

It was you and me and a new world right before us
I was so scared to start
I saw you and dreams just like everyone before us
But how did they move so far?

And then one day I thought it slipped away
And I looked to my hands to hold you
And then one day all my fear slipped away
And my hands did so much more

So maybe we won't find easy
But, baby, we've found the good
Maybe we won't find easy
But, baby, we've found the good!
